ABOUT ME

As a resourceful professional with skills in Python development, web development, and graphic design, I've enjoyed a dynamic career. I've crafted powerful web applications, enhanced user experiences through design, and leveraged Python's capabilities to solve complex problems. This diverse skill set allows me to approach projects with creativity and technical expertise.

WORK EXPERIENCE

ENL DIGI CONSORTIUM
Lodwar
Aug 2021 - Dec 2023

Cyber Manager

As a Cyber Manager, I led teams to protect against cyber threats. My responsibilities included risk assessment, incident response, and policy development. I ensured robust security measures, safeguarding critical data and systems.

EDUCATION

ZETECH UNIVERSITY
RUIRU
2023

Diploma in Software Engineering

I pursued a diploma in software engineering, mastering coding languages and software development. My studies involved project management and problem-solving, equipping me with the skills essential for a successful career in the tech industry.

ST JOSEPH TIGITHI BOYS HIGH SCHOOL
NANYUKI
2020

Kenya Certificate of Secondary Education

As a high school student, I dedicated myself to academic excellence and personal growth. I actively participated in extracurricular activities, developed leadership skills, and built a strong foundation for my future endeavors.

MT. KENYA PRIMARY SCHOOL
NANYUKI
2016

Kenya Certificate of Primary Education

As a primary student, I enthusiastically embraced learning. I enjoyed exploring various subjects, making friends, and developing foundational skills that will shape my educational journey and future adventures.

COURSES

GREAT LEARNING ACADEMY
Aug 2023 - Sep 2023

Python Programming

CISCO NETWORKING ACADEMY
Jan 2023 - Apr 2023

CCNA

INTERNSHIP

CONTEXT EXPERT AGENCIES LIMITED
RUIRU, CBD
Sep 2023 - Nov 2023

Digital Marketing

As a digital marketing intern at Context Expert Agencies Limited, I honed skills in SEO optimization, social media management, and data analytics. Crafting engaging content and managing ad campaigns, I contributed to successful marketing strategies, gaining invaluable real-world experience.

HOBBIES

READING PROGRAMMING BOOKS, RESEARCHING, HIKING, CAMPING

EXTRA-CURRICULAR ACTIVITIES

FOOTBALL CLUB
RUIRU
May 2022 - Dec 2023

Soccer

I'm a dedicated soccer player in my local football club, passionate about the beautiful game. I bring teamwork, agility, and a relentless work ethic to the field, striving to improve and contribute to our team's success.
